Parker, CO | 303-726-3951 | jarimatt@icloud.com | www.linkedin.com/in/jake-matullo

Professional Summary

Majoring in Ecosystem Science and Sustainability with an interest in the field of ecology, in school I've been involved in Greek Life and have worked at the TILT Center. I am skilled in time management, following-through, and planning. My core qualities of dedication and resiliency contribute to my ability to give everything a hundred-and-ten percent. I seek to contribute my expertise in organizations concerned with natural resource management and conservation.
